## Drinking from the bottle by Calvin Harris

I could pay for everything that's on you		If you ain't lean, then you're in the wrong scene		
So everything it's on me		If you ain't high, then you're not on my vibe		
Got (1) girls going Cindy Lauper		Tell the bar that we don't need no sparklers or nothing		
Ga Ga, and a little Blondie		Just keep the (7)	coming all night	
If you ain't drunk, then you're in the wrong club		Yes, so (8) the Veuve Clicquot		
Don't (2) sexy? you're on the wrong beach		D about to hit the big 3o		
Tell the bar that we don't want no glass just bottles		Party like it's carnival in Rio		
And I'm buying everybody one each		Life's too short, Danny Devito		
Yes, so bring the Veuve Clicquot		Yo, we live, we die, we give, we try		
D about to hit the big 30		We kiss, we fight		
Party like it's (3) in Rio		Also we can have a good time		
Life's too short, Danny Devito		I'm in here busy looking for the next top model		
Yo, we live, we die, we give, we try		Who's wearing something new and something old		
We kiss, we fight		And something borrowed		
Also we can have a good time		I know this crazy life c		
I'm in here (4) looking for the next top model		Can be a bitter pill to swallow		
Who's wearing something new and something old		So forget about tomorrow, tonight		
And something borrowed		We're (9)	from the bottle	
I know this crazy life		We're drinking from the bottle		
Can be a bitter pill to swallow		I'm in here busy looking for the next top model		
So forget about tomorrow, tonight		the next top model		
We're drinking from the bottle		the next top model		
We're drinking from the bottle	the		the next top model
