

Fill in the gaps

Take me backwards, turn me around	Nobody's (15) is as (16) as mine
(1) find my balance on the ground	I can't say that I'm satisfied
This world's too heavy	Three (17) miles from your
For a feather falling quickly	(18) goodbye
I (2) you a story	I'm going to lay back down
But I'm afraid of how it ends	Hope the wind takes me around
And all my friends are doing well	I (19) find some courage in this town
and I'm (3) on the mend	And everybody's afraid
I'm going to lay (4) down	Because chances come (20) change
Hope the (5) takes me around	And everybody's afraid
I (6) (7) (8) courage in	Because chances come from breaking
his town	Chances are you're breaking open
(9) nobody's (10) to save	I'm going to lay back down
Somebody who won't change	(21) the wind (22) me around
I try to be brave	I (23) find (24)
And nothing's coming easy and all at (11)	(25) in this town
I (12) a little queasy	(26) nobody's going to save
Oh, but if (13) love's my remedy	Somebody who won't change
Would you please come and be with me?	It's time to be brave
It's not (14) there's much better
