Distance by Christina Perri

Fill in the gaps

The sun is filling up the room
And I can hear you dreaming
Do you feel the way I do, right now?
I wish we would just give up
(1) the best part is falling
(2) anything but love
And I (3) make sure to keep my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
Please don't stand so (4) to me
I'm having trouble breathing
I'm afraid of what you'll see, right now
I'll give you everything I am
All my broken heartbeats
Until I know you'll understand
And I will make sure to keep my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
And I (5) waiting
For you to take me
And you (6) waiting
To (7) what we have
So I'll make sure to keep my distance
Say I love you (8) you're not listening
And how long can we keep this up, up, up?
(9) sure to keep my distance
Say I love you when you're not listening
How long till we (10) this love, love?
