

Fill in the gaps

Distance by Christina Perri

The sun is filling up the room

And I can hear you dreaming

Do you feel the way I do, right now?

I wish we would just give up

Because the best part is falling

Calling anything but love

And I will make sure to keep my distance

Say I love you (1)_____ you're not listening

And how (2)_____ can we keep this up, up, up?

Please don't stand so close to me

I'm (3)_____ trouble breathing

I'm afraid of what you'll see, right now

I'll give you everything I am

All my broken heartbeats

Until I know you'll understand

And I (4)_____ make sure to keep my distance

Say I love you (5)_____ you're not listening

And how long can we (6)_____ this up, up, up?

And I (7)_____ waiting

For you to (8)_____ me

And you (9)_____ waiting

To save what we have

So I'll make sure to keep my distance

Say I love you when you're not listening

And how long can we keep this up, up, up?

Make (10)_____ to keep my distance

Say I love you when you're not listening

How long till we call this love, love, love?
