

Fill in the gaps

is

Every time i close my eyes
I can touch the (1) around me
Suddenly I realize
Everything I thought was (2)
here
And my heart (3) in a world so incredible
And everything burns much brighter
I want to fly into this beautiful life
I think it'd be nice with you
I want to fly into this beautiful life
I think it'd be nice with you,
With you, with you with you
Fingertips, northern lights,
tracing colors (4) through the sky
(5) a lullaby
I never felt as blissful as I do here
And my heart sings in a world so incredible

And everything shines much brighter	
I (6) to fly (7) this beautiful li	fe
I think it'd be nice with you	
I want to fly (8) this beautiful life	
I think it'd be nice with you,	
With you, with you, with you	
Set the night on fire if we want to	
Hanging out with the stars and the big moon	
I'm very well thank you, how do you do?	
I think it'd be nice with you	
Set the (9) on fire if we want to	
Hanging out with the stars and the big moon	
Put them down for a dance with your lasso	
I think it'd be nice with you, with you (bis)
