

Fill in the gaps

Time after time by Cindy Lauper

Lying in my bed I hear the clock tick
And think of you
Caught up in circles
Confusion is nothing new
Flashback warm nights
Almost left behind
Suitcases of memories
Time after...
Sometimes you picture me
I'm walking too far ahead
You're (1)_____ to me
I can't hear what you've said
Then you say go slow
I fall (2)_____
The second hand unwinds
If you're lost you can (3)_____ and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
If you're lost you can look and you will find me
(4)_____ after time
If you fall I will catch you I'll be waiting
Time after time
After my picture fades

And darkness has turned to gray
Watching through windows
You're wondering if I'm OK
Secrets stolen from deep inside
The drum beats out of time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
You said go slow
I (5)_____ behind
The second hand unwinds
If you're (6)_____ you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
If you're (7)_____ you can (8)_____ and you will
find me
(9)_____ after time
If you fall I will catch you I'll be waiting
Time after time
Time (10)_____ time (bis)
