Time after time by Cindy Lauper

Lying in my bed I hear the clock tick

And think of you

Caught up in circles

Confusion is nothing new

(1)_____ (2)_____ nights

Almost left behind

Suitcases of memories

(3)_____ after...

Sometimes you picture me

I'm walking too far ahead

You're calling to me

I can't hear what you've said

Then you say go slow

I fall behind

The second hand unwinds

If you're lost you can look and you will find me

Time after time

If you fall I will catch you I'll be waiting

Time after time

If you're lost you can look and you will find me

Time after time

If you fall I will catch you I'll be waiting

Time (4)_____ time

After my picture fades

And darkness has turned to (5)_____

Watching through windows

You're wondering if I'm OK

Secrets stolen from deep inside

The drum beats out of time

If you're lost you can look and you will find me

Time after time

If you fall I will catch you I'll be waiting

(6)_____ after time

You said go slow

I (7)_____ behind

The second (8)_____ unwinds

If you're lost you can look and you will find me

Time after time

If you fall I will catch you I'll be waiting

Time after time

If you're lost you can look and you (9)_____ find me

(10)_____ after time

If you fall I will catch you I'll be waiting

Time after time

Time after time (bis)
