

## Fill in the gaps

I was supposed to do great things	So I'm walking up and down the streets
I (1) the road was long	To stay awake
But I wasn't (2) to shoot for fame	Come up for air, come up for air, come up
I have the safety on	Come up for air, come up for air, come up
I cut my ties, I sold my rings	Come up for air, (15) up for air, come up
I wanted none of this	Come up for air, (16) up for air, (17) up
If you start (3) scratch	Get outside, get all around the world
You'll have to sing	You'll learn to love what you get in return
Just for the fun of it	It may be problem and it may be peace of mind
I'd be (4) if I could just see you	Put your head in countdown and breathe
-Come up for air, come up for air-	One breath at a time
A miracle mile, where (5) it lead to?	Come up for air, come up for air, come up
-Come up for air, come up for air-	(18) up for air, come up for air, (19) up
I (6) the air (7) my face	Come up for air, come up for air, come up
Forget the mess I'm in	Come up for air, (20) up for air, (21) up
Hold me again, don't (8) mistakes	I'd be alright if I could just see you
I lost (9) of them	-Come up for air, come up for air-
I'd be alright if I could just see you	A (22) mile, where does it lead to?
-Come up for air, (10) up for air-	-Come up for air, come up for air-
A (11) mile, where (12) it lead	I'd be (23) if I could (24) see
to?	you
-Come up for air, come up for air-	A miracle mile, where does it lead to?
I was in the mud, I was in the dirt	
Went (13) and I	
(14) what I was worth	
All alone and I know I can't stay
