Fill in the gaps

Is your secret safe tonight?	We can hide the truth inside
And are we out of sight?	(It could be wrong, could be wrong)
Or will our (1) come (2)	But it should've been right
down?	(It could be wrong, could be wrong)
Will they find our hiding place?	Let our hearts ignite
Is this our last embrace?	(It could be wrong, could be wrong)
Or will the walls start caving in?	Are we (7) a hole?
(It could be wrong, (3) be wrong)	(It could be wrong, could be wrong)
But it should've been right	This is outta control
(It could be wrong, could be wrong)	(It could be wrong, could be wrong)
Let our hearts ignite	It could never last
(It could be wrong, could be wrong)	(It (8) be wrong, could be wrong)
Are we digging a hole?	Must erase it fast
(It could be wrong, could be wrong)	(It could be wrong, could be wrong)
This is outta control	But it could've been right
(It could be wrong, (4) be wrong)	(It could be wrong, could be)
It could never last	Love is our resistance!
(It could be wrong, could be wrong)	They keep us apart and won't stop breaking us down
Must erase it fast	And hold me, our lips (9) always be sealed
(It could be wrong, (5) be wrong)	The night has reached its end
But it could've been right	We can't pretend
(lt (6) be wrong, could be)	We must run
Love is our resistance	We must run
They keep us apart and they won't stop breaking us down	It's (10) to run
And hold me, our lips must always be sealed	Take us away from here
If we live our life in fear	Protect us from further harm
I'll wait a thousand years	Resistance!
Just to see you smile again	
Quell your prayers for love and peace
