She got her (1) on	I am who I am and buddy she (4) it
Dog gone nothing in the world's wrong	I ain't gotta change a thing
Rolling down a country road	I don't know if it could get any better
She's my shotgun rider	But man if it does then I reckon
I'm the lucky dog beside her	I better get to picking out a ring
My lips are where her kisses go	This ole boy got it (5) on
She loves when we go to the river and get in the water	Got the good Lord smiling on me
And buddy she is hotter than south Georgia in July	Her big blue eyes and the sweet red wine
Man when I'm with her I can't get enough of her	Got me buzzing like a bee
I got to kiss her and I got to hug her	She's got her pretty little head on my shoulder
And brother she's mine all mine	Nobody else gets to hold her
This ole boy got it going on	But this ole boy
Got the good Lord smiling on me	Yeah, this ole boy got it (6) on
Her big blue eyes and the sweet red wine	Got the good Lord (7) on me
Got me buzzing like a bee	Her big blue eyes and the sweet red wine
She's got her pretty little head on my shoulder	Got me buzzing like a bee
Nobody else gets to hold her	She's got her (8) little (9) on my
But this ole boy	shoulder
We're in my old Ford oh Lord	Nobody (10) gets to hold her
Holes in my floor board	But this ole boy
But she don't seem to mind	Yeah this ole boy
We park in a hay field, fog up the windshield	Nobody but this ole boy
My kind of (2) time	This ole boy
She sweetens my tea and she (3) my
