## You & I by Crystal Fighters

## Fill in the gaps

Happy, spinning, clapping, laughing, dancing	Hand me up on, sit me down
In the blackness of magic	And I won't ham it up
Get it, have it, bag it	Or simmer down with it, bredrin
Throw yourself on the aeroplane	Nothing else but us right now
And fly like magic	And I ain't need nothing else
No sleep, no chance, no need, forget about it	No one else but you and I
One life, live free, big dreams	And it ain't me, it ain't you
We're all about them	It's only us, it's us right now
You're finding it, take it, take it in, it's all here	You're finding it, take it, (5) it in, it's all here
You and me, no one else, nothing else but us right now	You and me and no one else
And I ain't need nothing else	Nothing (6) but us right now
No one else but you and I	And I ain't need nothing else
And it ain't me, it ain't you	No one else but you and I
It's only us, it's us right now	And it ain't me, it ain't you
You're finding it, take it, take it in, it's all here	It's only us, it's us right now
You and me and no one else	You and me, no one else, nothing else but us right here
(1) but us right now	You and I, no one else, nothing else but you and I
And I ain't need nothing else	You and I
No one else but you and I	Oh, (7) to find the words to tell
And it ain't me, it ain't you	Oh, the story of you and I, girl
It's only us, it's us right now	Oh yeah, even though there's nothing left just
You and me, no one else, nothing else but us right here	You and I, no one else, nothing else but you and I
You and I, no one else, (3) else but you	You and I
and I	Ain't need (8) else -you and I-
You and I	Yeah, nobody else -you and I-
Time is not a constant my friend	You and I, no one else
You can't talk me out of that one again	Nothing else but you -you and I-
Yeah, like (when) we gave ourselves the bends	
To a land I'll never understand	
Speed it up or if you mean it, (4) it up a little bit	
Just to speed it back up again	

- 1. Nothing
- 2. else
- 3. nothing
- 4. slow
- 5. take
- 6. else
- 7. hard
- 8. nothing
