Come together by Echosmith

We're sick and tired of keeping silent

Fill in the gaps

Here we are with our backs against the wall	We are, we are, we are,
We've got big city dreams	We are gonna come together
But we don't move from the asphalt	We are gonna come together, now
We run away from our own imagination	We are gonna run together
But at the same (1) we got this amazing	We're gonna turn it upside down
ascination	Because with the smoke in the mirror
We've got hopes on the horizon	I can't see your face
We can't stop climbing the mountain	So let's run to the fire escape
We're sick and tired of (2) silent	Come together
We are, we are, we are,	We are gonna come together, now
We are (3) come together	Just let go, it's a free fall
We are gonna come together, now	We're almost home, it's a free fall
We are gonna run together	We are gonna come together
We're gonna turn it upside down	We are gonna come together, now
Because (4) the (5) in the mirror	We are gonna run together
I can't see your face	We're gonna (9) it upside down
So let's run to the fire escape	We are gonna come together
Come together	We are gonna come together, now
We are (6) come together, now	We are gonna run together
Who are they?	We're gonna turn it upside down
With their so-called innovations	(10) with the smoke in the mirror
They hold on (7) they've found	I can't see your face
Their own salvation	So let's run to the fire escape
They shy away (8) the slightest alteration	Come together
But at the same time we got the same fascination	We are gonna come together, now
We've got hopes on the horizon	
We can't stop from climbing the mountain
