Small bump by Ed Sheeran

You're just a small bump unborn
In four months you're brought to life
Might be left (1)_____ my hair
But you'll have your mother's eyes
I'll hold your (2)_____ in my hands
I'll be as gentle as I can
But for now you scan on my unmade plans
Small (3)_____ in four months you're brought to life
And I whisper quietly
I'll give you nothing but truth
If you're not inside me
I'll put my future in you
You are my one, and only
You can wrap your fingers around my thumb
And hold me tight
You are my one, and only
You can wrap your fingers around my thumb
And hold me tight
You'll be alright
You're just a small bump unknown
You grow into your skin
With a smile like hers
And a dimple (4)_____ your chin
Finger nails the size of a half grain of rice
And eyelids closed to be soon opened wide
Small bump in four months you'll open your eyes

And I hold you tightly
I'll tell you nothing but truth
If you're not inside me
I'll put my (5)_____ in you
You are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You'll be alright
And you can lie (6)_____ me
With your (7)_____ feet when you're half asleep
But if you be right in front of me for a couple weeks
So I can keep you safe
Because you are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You are my one, and only
And you can wrap your fingers around my (8)_____
And hold me tight
You'll be alright
Because you're just a small bump unborn
But four months then (9)_____ from life
(10)_____ you were needed up there
But were still unaware as why
