

Fill in the gaps

You're just a small bump unborn	And I hold you tightly
In four months you're brought to life	l'Il tell you (15) but truth
Might be left with my hair	If you're not inside me
But you'll have your mother's eyes	I'll put my future in you
I'll hold your (1) in my hands	You are my one, and only
I'll be as (2) as I can	And you can wrap (16) fingers around my thumb
But for now you scan on my unmade plans	And hold me tight
Small bump in four (3) you're brought to life	You'll be alright
And I (4) quietly	And you can lie with me
I'll give you (5) but truth	With (17) (18) feet when you're
If you're not inside me	(19) asleep
I'll put my (6) in you	But if you be right in front of me for a couple weeks
You are my one, and only	So I can (20) you safe
You can wrap your fingers around my thumb	Because you are my one, and only
And (7) me tight	And you can wrap your fingers around my thumb
You are my one, and only	And (21) me tight
You can wrap your fingers around my thumb	You are my one, and only
And hold me tight	And you can (22) your fingers (23)
You'll be alright	my (24)
You're just a small bump unknown	And hold me tight
You grow (8) your skin	You'll be alright
With a smile (9) (10)	Because you're just a small (25) unborn
And a dimple (11) your chin	But four months then torn from life
Finger (12) the size of a half (13)	Maybe you were needed up there
of rice	But were still (26) as why
And eyelids (14) to be soon opened wide	
Small bump in four months you'll open your eyes
