

Fill in the gaps

She had the (1) of someone older	Caught (7) episode on tv today
She had the eyes of someone older	But the only thing I care (8) got away
I have the eyes (2) wander around	The only thing I care about got away
I couldn't see (3) (4) mattered	She had a brilliant future
Caught hell from my boss	I have a past
Don't care about my job	I have my memories
(5) a cold from the rain	But they're fading fast
Don't care if I'm cold	Caught (9) from my boss
Played every record that I own today	Don't care about my job
But the only thing I care about got away	Caught a cold from the rain
The only (6) I care about got away	Don't care if I'm cold
She was a walking work of art	Played every record that I own today
I am a broken wind-up toy	But the only thing I care about got away
I thought I knew what really mattered	The only thing I care about got away
Got a flat on the road	The only (10) I care about got away
Don't care about my car	The only thing I care about got away
Lost twenty-six bucks	
Don't care about my rent
