And when I saw you I knew

Fill in the gaps

Finally found you by Enrique Iglesias

You know I'm gonna get you, yeah	That I finally found, I finally found you
Whatever it takes to get there	I finally found, I finally found you
No, I won't drop you	So can't get love
Like everybody else does	Too much to ask for, really so tough
Forget about your friends they don't care where we go	Find yourself moving
If they do we'll get lost in a crowd of people	With the sex of the drums
I've been (1) for you forever	Got my hands full grabbing all these (6) girls
Baby we go together baby we go, we go	Hands up hands up
In this crazy (2) of choices I've only got a few	Dance floor chilling while I hold 2 cups
Either you're coming with me, or I'm coming (3)	Can't stop spilling because I'm drunk as **
you	And my song comes on and the club goes nuts
Because I finally found, I finally found you	Every province I go, (7) I sleep
You'll never have to worry if what I say is true	It's best that y'all know
Girl I've been looking for you	Running around and doing all these shows
And when I saw you I knew	Round the whole globe, I come and you go girl
That I finally found, I finally found you	And you need to think of it
I'm coming to get you	Just arrive for the night, baby, live a bit
We have a connection, that's right	Whit a place to hit
This girl I'm not letting go	And your pants to zip
I'm gonna make you feel right	Come make this thing a party, are you into it?
Forget about your friends they don't care where we go	In this crazy world of choices I've only got a few
If they do we'll get lost in a crowd of people	Either you're coming (8) me, or I'm coming with
I've been looking for you forever	you
Baby we go together baby we go, we go	Because I finally found, I (9) found you
In this crazy world of choices I've only got a few	Finally, finally, (10) found you
Either you're coming with me, or I'm coming with you	Finally, finally, finally found you
Because I finally found, I finally found you	Finally found, I finally found you
You'll (4) have to worry if (5) I say is	You know I'm gonna get you
