Girl I've been looking for you And when I saw you I knew

Fill in the gaps

Finally found you by Enrique Iglesias

You know I'm gonna get you, yeah	That I finally found, I finally found you
Whatever it takes to get there	I finally found, I finally found you
No, I won't drop you	So can't get love
Like everybody else does	Too much to ask for, really so tough
Forget (1) your friends they don't care where	Find yourself moving
we go	With the sex of the drums
If they do we'll get lost in a crowd of people	Got my hands full grabbing all these girls girls
I've been looking for you forever	Hands up hands up
Baby we go together baby we go, we go	Dance floor chilling while I hold 2 cups
In this (2) world of choices I've only got a few	Can't stop spilling because I'm drunk as **
Either you're coming with me, or I'm coming (3)	And my song comes on and the club goes nuts
you	Every province I go, city I sleep
Because I finally found, I finally found you	It's best that y'all know
You'll never (4) to worry if (5) I say is	Running around and (9) all these shows
true	Round the whole globe, I come and you go girl
Girl I've been looking for you	And you need to think of it
And when I saw you I knew	Just arrive for the night, baby, live a bit
That I finally found, I finally found you	Whit a place to hit
I'm coming to get you	And your pants to zip
We have a connection, that's right	Come make this thing a party, are you into it?
(6) girl I'm not letting go	In this crazy world of choices I've only got a few
I'm gonna make you feel right	Either you're coming with me, or I'm coming with you
Forget about your friends they don't care where we go	Because I finally found, I finally found you
If (7) do we'll get lost in a crowd of people	Finally, finally, finally found you
I've been looking for you forever	Finally, finally, finally found you
Baby we go together baby we go, we go	Finally found, I finally (10) you
In (8) crazy world of choices I've only got a few	You know I'm gonna get you
Either you're coming with me, or I'm coming with you	
Because I finally found, I finally found you	
You'll never have to worry if what I say is true
