Look, if you had one shot, or one opportunity	You better lose yourself in the music, the moment
To seize everything you ever wanted in one moment	You own it, you better never let it go
Would you capture it, or just let it slip? Yo	You only get one shot, do not miss your (5) to
His palms are sweaty, knees weak, arms are heavy	blow
There's vomit on his sweater already, mom's spaghetti	This opportunity comes once in a (6)
He's nervous, but on the surface he looks calm and ready	You better lose yourself in the music, the moment
To drop bombs, but he keeps on forgettin'	You own it, you better never let it go
What he wrote down, the whole crowd goes so loud	You only get one shot, do not (7) your chance to
He opens his mouth, but the words won't come out	blow
He's chokin' how, everybody's chokin' now	This opportunity comes once in a lifetime
The clocks runs out, time's up, over. Blow!	No more games, I'm a change what you call rage
Snap back to reality, oh, there goes gravity	Tear this motherfuckin' roof off like 2 dogs caged
Oh, there goes Rabbit, he choked, he's so mad	I was playin' in the beginnin', the mood all changed
But he won't give it up that easy, no, he won't beat it	I been chewed up and spit out and booed off stage
He knows his whole back's to these ropes, it don't matter, he's	But I kept rhymin' and stepped right in the next cypher
dope	Best believe somebody's payin' the pied piper
He knows that, but he's broke, he's so stagnant that he knows	All the pain (8) amplified by the
	Fact that I can't get by with my nine to
When he goes back to his mobile home, that's (1)	Five and I can't provide the right type of

Back to the lab again, yo, this whole rhapsody,	Food stamps don't buy diapers and there's no movie,
He better go capture this moment and hope it don't pass him	There's no mekhi phifer, this is my life,
You better lose yourself in the music, the moment	And these times are so hard and it's getting even harder
You own it, you better never let it go	Tryin' to feed and water my seed, plus teetertotter
You only get one shot, do not miss your chance to blow	Caught up between bein' a father and a prima (9)
This opportunity comes once in a lifetime	
You better lose yourself in the music, the moment	Baby mama drama screamin' on and too much for me to
You own it, you better never let it go	wanna
You only get one shot, do not miss (2) chance to	Stay in one spot, another day of monotony
blow	Has gotten me to the point I'm like a snail I've got
This opportunity comes once in a lifetime	To formulate a plot or end up in jail or shot
The soul's escaping through this (3) that is gaping	Success is my only mothafuckin' option, failure's not
This world is mine for the taking, make me king	Mom, I love you, but (10) trailer's got to go
As we move toward a new (4) order	I cannot grow old in salem's lot
A normal life is boring, but superstardom's	So here I go, it's my shot, feet fail me not
Close to post-mortem, it only grows harder,	This may be the only opportunity that I got
Only grows hotter, he blows us all over,	You better lose yourself in the music, the moment
These hoes is all on him coast to coast shows,	You own it, you better never let it go
He's known as the globetrotter lonely roads, god only	You only get one shot, do not miss your chance to blow
Knows he's grown farther from home he's no father,	This opportunity comes once in a lifetime
He goes home and barely knows his own daughter	You better lose yourself in the music, the moment
But hold your nose 'cuz here goes the cold water	You own it, you better never let it go
These hoes don't want him no mo', he's cold product	You only get one shot, do not miss your chance to blow
They moved on to the next schmoe who flows he nose	This opportunity comes once in a lifetime
Dove and sold nada so the soap opera	You better
Is told and unfolds, I suppose it's old partner	You can do anything you set your mind to, man
