

Fill in the gaps

(1) down behind	d the sun	That's (7)	_ I need my father's eyes	
Waiting for the prince to come		-Look into my fathe	-Look into my father's eyes-	
Praying for the healing rain		My father's eyes		
To restore my soul again		Then the jagged edge appears		
(2) a toe rag on the run		Through the distant clouds of tears		
How did I get here?		Now I'm like a (8)_	that was washed away	
What (3) I done?		My foundations were (9) of clay		
When will all my hopes arise?		As my soul slides down to die		
How will I know him		How could I lose him?		
When I look in my father's eyes?		What did I try?		
-Look into my father's eyes-		Bit by bit, I've realized		
My father's eyes		That he was here with me		
When I (4) in my f	ather's eyes	And I looked into my father's eyes		
-Look (5) my father's eyes-		-Look (10)	-Look (10) my father's eyes-	
My father's eyes		My father's eyes		
Then the (6) begins	to shine	I looked into my father's eyes		
And I hear those ancient Iullabies		-Look into my father's eyes-		
And as I watch this seedling grow		My father's eyes		
Feel my heart start to overflow		My father's eyes		
Where do I find the words to say?		-Look into my father's eyes-		
How do I teach him?		My father's eyes		
What do we play?		I looked into my father's eyes		
Bit by bit, I've realized		-Look into my father's eyes-		
That's when I need them		My father's eyes		
That's when I need my father's eyes		-Look into my father's eyes-		
-Look into my father's eyes-				
My father's eyes
