

Fill in the gaps

(1) me whole again	Counting the days
(2) your eyes	To meet you on the other side
Taunted by the shadows of your light	I will always be waiting
Cold and far away	Until the day (11) I see you on the other side
Like you're not even mine	Come and (12) me home
Undo everything and (3) me higher	I am so lost (13) my (14)
Never (4) what they say	inside your heart
(5) I'm counting the (6)	I won't survive, I need to know you hear me
To (7) you on the other side	(15) and release my love
I will always be waiting	Counting the days
Until the day (8) I see you on the other side	To meet you on the other side
Come and take me home	I will (16) be waiting
I'm not giving in	(17) the day that I see you on the other side
I want you back	(18) and (19) me
Holding together by the shards of our past	Counting the (20)
(9) my heart away	To (21) you on the (22) side
I can't let you go	I will always be waiting
Break these (10) and let me fly to you	Until the day that I see you on the (23) side
High above the world below	(24) and take me home
Over and over in my mind
