

Fill in the gaps

Make me whole again
Open your eyes
Taunted by the shadows of your light
Cold and far away
(1) you're not even mine
(2) everything and take me higher
Never believing what they say
Because I'm counting the days
To meet you on the other side
I will always be waiting
Until the day that I see you on the (3) side
Come and take me home
I'm not giving in
I want you back
Holding together by the (4) of our past
(5) my heart away
I can't let you go
Break these chains and let me fly to you
High above the world below
Over and over in my mind

(6) the days
To meet you on the other side
I will always be waiting
Until the day that I see you on the other side
Come and take me home
I am so lost (7) my place inside your heart
I won't survive, I (8) to know you hear me
Awaken and release my love
Counting the days
To meet you on the other side
I (9) always be waiting
Until the day that I see you on the other side
Come and take me
Counting the days
To meet you on the other side
I will always be waiting
Until the day that I see you on the other side
Come and (10) me home
