

Fill in the gaps

Let me go
I don't want to be your hero
I don't want to be your big man
I (1) to fight with everyone else
Your masquerade
I don't wanna be a part of your parade
Everyone deserves a chance to
Walk with everyone else
While (3) down
A job to (4) my girl around
Maybe buy me some new strings
And her a night out on the weekend
And we can whisper things
Secrets from our american dreams
(5) needs some protection
But I'm a kid like everyone else
So let me go
I don't want to be your hero
I don't want to be your big man
I just want to fight (6) everyone else
So let me go
I don't want to be (7) hero
I don't want to be your big man
I just want to fight (8) everyone else
Your masquerade
I don't wanna be a part of your parade
Everyone deserves a chance to
