## Breath of life by Florence + The machine

was looking for a breath of the life	I was looking for a breath of the life
For a little touch of a heavenly light	A little touch of a heavenly light
But all the choirs in my (1) sang: No	But all the choirs in my head sang: No
To get a dream of the (2) again	It's a harder way and it's come to (5) her
A little vision of the sun at the end	And I always say, we (6) be together
But all the choirs in my head sang: No	I can see the look, (7) it
But I needed a one more touch	(8) ending
Another taste of a (3) rush	And if you are gone, I will not belong here
And I believe, I believe it so	(9) here, belong here
Who's side am I on?	And I started to heart it again
Who's (4) am I?	But this time it wasn't the end
Who's side am I on?	And the room is so quiet oh
Who's side am I?	And my heart is a hollow plain
And the fever began to spread	For the devil to (10) again
From my heart down to my legs	And the room is too quiet
But the moon is so quiet oh	I was looking for the breath of the life
And although I wasn't losing my mind	A little touch of a heavenly ligth
t was a call was so sublime	But all the choirs in my head sang: No
But the room is too quiet oh
