## Breath of life by Florence + The machine

I was looking for a breath of the life		I was looking for a bi	eath of the life		
For a little touch of a heavenly light		A little touch of a hea	avenly light		
But all the choirs in my head sang: No		But all the choirs in r	ny head sang: No	0	
To get a dream of the life again		It's a harder way and it's come to (5)		her	
A little vision of the sun at the end		And I always say, we should be together			
But all the choirs in my head (1)	No	I can see the look, because it's something ending			
But I (2) a one more touch		And if you are gone, I will not belong here		here	
Another taste of a heavenly rush		Belong here, belong here			
And I believe, I believe it so		And I started to heart it again			
Who's (3) am I on?		But this time it wasn't the end			
Who's side am I?		And the room is so	(6) (	oh	
Who's side am I on?		And my heart is a hollow plain			
Who's side am I?		For the (7) to dance again			
And the fever began to spread		And the (8)	_ is too quiet		
From my (4) down to my legs		I was looking for the breath of the life			
But the moon is so quiet oh		A (9)	touch of a heav	enly ligth	
And although I wasn't losing my mind		But all the choirs in my head sang: No			
It was a call was so sublime					
But the room is too quiet oh
