

Happiness, it hurt like a bullet in the mind

Dogs days are over by Florence + The machine

Happiness, it hurt like a train on a track	Stuck them up drainpipes
Coming towards her, stuck still no turning back	By someone who should know better than that
She hid around corners and she hid under beds	The dog days are over
She killed it (1) kisses and from her made she fled	The dog days are gone
With every bubble she (2) with a drink	Can't you hear the horses?
And washed it away down the (3) sink	Because here they come
The dog days are over	Run fast for your mother and fast for your father
The dog days are done	Run for your children for your sisters and the brothers
The horses are coming so you better run	Leave all your love and your loving behind you
Run fast for your mother run fast for your father	Can't carry it with you if you want to survive
Run for your children and for your sisters and the brothers	The dog days are over
(4) all (5) (6) and your	The dog (9) are gone
loving behind you	Can't you hear the horses?
Can't carry it with you if you want to survive	Because here they come
The dog days are over	The dog days are over
The dog days are done	The dog days are gone
Can't you hear the horses?	Can't you hear the horses?
Because here (7) come	Because (10) they come
And I never wanted anything (8) you	
Except everything you had	
And what was left after that too.
