Coming towards her, stuck still no turning back	By (17) who (18) know
She hid around corners and she hid under beds	better (19) that
She killed it (1) kisses and from her (2)	The dog (20) are over
she fled	The dog days are gone
With every (3) she sank (4) a	Can't you hear the horses?
drink	Because here they come
And (5) it (6) down the kitchen	Run fast for your mother and fast for your father
sink	Run for your children for your sisters and the brothers
The dog days are over	Leave all your love and (21) loving behind you
The dog days are done	Can't (22) it with you if you (23) to
The horses are coming so you better run	survive
Run fast for your mother run fast for (7) father	The dog (24) are over
Run for your children and for your sisters and the brothers	The dog (25) are gone
(8) all (9) love and (10)	Can't you hear the horses?
(11) behind you	Because here they come
Can't carry it with you if you want to survive	The dog days are over
The dog (12) are over	The dog days are gone
The dog days are done	Can't you hear the horses?
Can't you hear the horses?	Because (26) they come
Because (13) they come	
And I (14) wanted anything from you	
Except everything you had	
And what was left after that too.	
Happiness, it (15) (16) a bullet in the	
mind
