

Fill in the gaps

Drumming song by Florence + The machine

There's a drumming noise (1) my	But as the water fills my mouth
(2)	It couldn't wash the echoes out
That (3) when you're around	But as the (12) fills my mouth
I swear that you could hear it	It couldn't wash the (13) out
It (4) (5) an almighty sound	I swallow the sound and it swallows me whole
There's a (6) noise inside my head	Till there's nothing (14) (15) my
That throws me to the ground	soul
I swear that you should hear it	As empty as that (16) drum
It makes such an (7) sound	But the sound has just begun
Louder than sirens	As I move my feet towards your body
Louder than bells	I can hear this beat it fills my head up
(8) than heaven	And gets louder and louder
And hotter than hell	It fills my (17) up and gets (18)
I ran to a tower where the church bells chime	and louder
I hoped that they would clear my mind	There's a drumming noise inside my head
They left a (9) in my ear	That starts when you're around
But that drum's still beating loud and clear	I swear that you could hear it
Louder than sirens	It makes such an almighty sound
Louder than bells	There's a drumming noise inside my head
Sweeter than heaven	That (19) when you're around
And hotter than hell	I (20) that you could hear it
Louder than sirens	It makes such an (21) sound
Louder than bells	Louder than sirens
Sweeter than heaven	Louder than bells
And hotter than hell	Sweeter (22) heaven
Louder than sirens	And hotter than hell
Louder than bells	Louder than sirens
Sweeter than heaven	Louder than bells
And hotter than hell	Sweeter than heaven
As I move my feet towards your body	And hotter than hell
I can hear (10) (11) it fills my head up	As I (23) my feet (24) your
And gets louder and louder	body
It fills my head up and gets louder and louder	I can hear (25) beat it fills my head up
I run to the river and dive straight in	And gets louder and louder
I pray that the water will drown out the din	It fills my head up and gets (26) and louder
