

And if you remembered me

## Fill in the gaps

## The way I tend to be by Frank Turner

You could (5) me from the way I tend to be
Because I've said I love you so many times
That the words kind of die in my mouth
And I meant it each (6)
With each beautiful woman
But (7) it never works out
But you stood apart in my (8) heart
And you (9) me and here's what I learned
That love is about of the changes you make
And not just three small words
And then I catch myself
Catching your scent on someone else
In a crowded space
And it takes me somewhere
I cannot quite place
And then I (10) you
And the way you shine like truth in all you do
And if you remembered me
You could save me from the way I tend to be
The way I tend to be
