| You can let the mask go down on you              |
| Let the mask do what I do                        |
| If I was there                                   |
| You'd better explain                             |
| That I have a vendetta in my narrow bones        |
| I have a vindictive eye                          |
| Over jealousy, I (1) no control                  |
| I never get your bullet out of my head now, baby |
| I never get your bullet out of my mind           |
| I never get your bullet out of my (2) now, baby  |
| I never get your bullet out of my mind           |
| How can I get (3) bullet out of my (4)           |
| now?   |
| I have no control, but I try, yeah, I try        |
| I better explain that I have                     |
| A red (5) in my narrow bones                     |

| And a wicked, indicative eye                     |
|--|
| Over yellow jealousy                             |
| I have no control, no control                    |
| I never get your bullet out of my head now, baby |
| I never get your bullet out of my mind           |
| I (6) get your bullet out of my (7)              |
| now, baby  |
| I never get your (8) out of my mind              |
| I get out of my head                             |
| I get out of my head now                         |
| I get out of my head                             |
| I get out of my (9) now                          |
| I get out of my head                             |
| I get out of my (10) now                         |
| I get out of my mind                             |
