

## Fill in the gaps

(1) in love	with a wind-up souvenir	How do you cry (4) (5)
I bought her downtown as I was on my way to meet you		eyes?
She sounds the like the songs		You're never (6) smile with the way that you are
You used to sing to put me to sleep		And I feel so all alone
But now that you're gone		I feel so all alone
She's all that I've left to hold		And she sits on my shelf
And I feel so all alone		She makes me think of you
No one's going to fix me when I'm broke		The way she carries the things that remind me of
How do you cry with inanimate eyes?		Who we used to be before we became antiques
You're never going smile with the way that you are		She's a lot like you
And I feel so all alone		When I hold her too tight
I came to you		I know she'll break
I thought you might appreciate		She'll just take (7) glue to stay
The way that she dances		And I feel so all alone
The painted look upon her face		No one's going to fix me (8) I'm broke
She (2) have come from the sun		How do you cry with (9) eyes?
I want to take her through the park		You're never (10) to smile with the way that you
Where she'll tell me I'm all that she wants		are
If she could even talk		And I feel so all alone
I feel so all alone		And I feel so all alone
No one's (3)	to fix me when I'm broke	I feel so all alone
