

## Fill in the gaps

For once there is (1) up my sleeve	i know we got caught up slipping
(2) some scars from a life	Through a crowd of people and losers
That used to trouble me	But you must not let them take you
I used to run at first sight of the sun	They don't know you like I do
Now I lay here waiting for you to (3) up	For once there is nothing up my (16)
The (4) (5) still	(17) (18) scars from a life that used to
(6) like it's on fire	trouble me
You put on new sheets	I (19) to run at (20) sight of the sun
The white flag of a Saturday night	Now I lay here (21) for you to wake up
I know we stayed up talking in circles	I lay here waiting for you to wake up
But I like to think the symmetry	Do you remember when we stayed up
Will (7) me closer to you	Till the sun strikes through the room?
For everyone, I'm out to (8) wrong	I (22) to (23) it
You keep the light on	On the (24) walking down 7th
The only one, you know me better than the truth	(25)
So, despite (9) (10) done	(26) been years now since we moved
I pray to God that we can move on	I've gotten through with an excuse
Because thus far you are the best thing	You know I try not to (27) superlatives
That this life has yet to lose	But it's impossible to you
And, for once there is nothing up my sleeve	The city outside is nothing but a flicker now
Just some scars from a life (11) used to trouble	You see your (28) at bed, you turn out the
me	lights
I used to run at (12) sight of the sun	I (29) to think you'll make a beautiful mother
Now I lay here waiting for you to (13) up	I, I like to think
I lay here waiting for you to wake up	I've everything I want from this life
So if you gonna leave, if you gonna go	
I can't (14) (15) without you in	
my arms
