

Fill in the gaps

Slow down	And even (17) she (18) away
We've got (1) left to be lazy	We always get calls from our daughter
All the kids (2) bloomed from babies	She has eyes just like her father's
Into flowers in our eyes	They are blue when skies are grey
We've got 50 (3) years left to spend out in the	And just like him, she (19) stops
garden	Never takes the day for granted
I don't care to beg your pardon	Works for everything that's handed to her
We should live until we die	(20) once complains
We were barely 18	You think that I nearly lost you
When we'd crossed collective hearts	(21) the doctors tried to take you away
It was cold, but it got (4)	But like the night you (22) my hand beside the fire
When you'd (5) crossed my eye	30 (23) ago to this day
And then you turned, put out your hand	You swore you'd be here
And you (6) me to dance	Till we decide that it's our time
I knew nothing of romance	But it's not time, you've (24) (25) in
But it was love at second sight.	all (26) life
I swear (7) I grow up	So just (27) my hand
I won't just buy you a rose	You know that I'll never (28) your side
I will buy the flower shop	You're the love of my life
And you will never be lonely	You know that I'll never leave your side
Even if the sun stops waking up over the fields	You come home from work and you kiss me on the eye
I will not leave, I will not leave till it's our time	You (29) the dogs
So (8) take my hand, you (9)	You say that I should never feed them
(10)	"Wacht its eyes"
I will (11) leave your side	And so we move out to the garden
It was the (12) of 86	Look at everything we want
All the fields had frozen over	And the kids are coming home
So we (13) to Arizona	So I'll set the table
To save our only son	You can make the fire
And now he's turning to a man	
Although he thinks (14) like his mother,	
He (15) we're all just	
(16)	
He sees hope in everyone.
