

Fill in the gaps

I'm a phoenix in the water	You'll be (13) on my mind
A fish that's learnt to fly	But there's a (14) in the shadows
And I've always been a daughter	I'll never know unless I try
But feathers are meant for the sky	(15) every (16)
So I'm wishing, wishing further	(17)
For the excitement to arrive	I'll let the waters (18)
It's just I'd rather be causing the chaos	Take me away to some place real
Than laying at the sharp end of this knife	(19) say home is
With (1) small disaster	Where your heart is set in stone
I'll let the waters (2)	Is where you go when you're alone
Take me away to some place real	Is where you go to rest (21) (22)
Because they say home is	It's not just where you lay your head
Where your heart is set in (3)	It's not just (23) you make your bed
Is where you go (4) you're alone	As long as we're together, (24) it matter where we
Is where you go to rest your (5)	go?
It's not just where you lay your head	Home, home, home
It's not just where you make (6) bed	Because they say home is
As long as we're together, does it matter where we go?	Where your heart is set in stone
Home, home	Is where you go when you're alone
So when I'm (7) to be bolder	Is where you go to rest your bones
And my cuts (8) healed (9) time	It's not just (25) you lay (26) head
Comfort will (10) on my shoulder	It's not just where you make your bed
And I'll bury my future behind	As (27) as we're together, does it matter where we
I'll (11) you with me	go?
