

Fill in the gaps

never (1) to be so bad to you	(CHORUS)
One thing I said that I would never do	'Cause it's the heat of the moment
A look from you and I would fall from grace	Heat of the moment
And that (2) wipe this smile right from my face	Heat of the moment showed in your eyes
Do you remember when we used to dance	And when your looks are (6) and you're alone
And incidence arose from circumstance	How (7) (8) you si
One thing (3) to another we were young	(9) the phone
And we would scream together songs unsung	What were the (10) you wanted for yourself
(CHORUS)	Teenage ambitions you remember well
t was the heat of the moment	(CHORUS)
Telling me (4) a heart meant	It was the heat of the moment
Heat of the moment showed in your eyes	Telling me what your heart meant
And now you find (5) in 82	Heat of the moment showed in your eyes
The disco hotspots hold no charm for you	It was the heat of the moment
You can't concern yourself with bigger things	Heat of the moment
You catch a pearl and ride the dragons wings	Heat of the moment showed in your eyes
