we are difficult to understand	Snivers up and down my spine
It was hard to (1) this simple plan work	Feed to the teeth

Shivers up and down my spine	Round and around in the setting sun
Feed to the teeth	Round and around in the setting sun
Inside this big (4) world	(8) and around and around and around and
Inside this big bright world	around
Inside this big bright world	Inside this big bright world
We (5) against the dying	Inside this big bright world
Rage against the dying light	Inside this big bright world
You're mysterious, you make no sense	(9) against the dying
I love you because you're innocent	Rage against the dying light
You fell out through a hole inside the sun	I'm with you
So magnify the best inside me	(bis)
Build the (6) so you can't find me
