

Fill in the gaps

And I, I blow out a wish in		Giving way to (6) no one ever sta	ys long
Made it my mission		It's over when you wake up	
To end the conflict		So I knew that it was in the picture perfect world	
But oh, I (1) out a wish in		We can be more than before	
Hoping (2) listen		Said it was, I made it stronger	
Be my accomplice		Don't get mad	
But oh, relax, it's (3) dreaming fast		You did your best	
Giving way to feelings no one ever stays long		And now it's all in the (7) to stay	
It's over when you (4) up		So I (8) that it was in the picture perfect wo	rld
So I knew that it was in the (5)	perfect	We can be (9) than before	
world		I said it was, I made it stronger	
We can be more than before		In the picture perfect world	
I said it was, I made it stronger		We can be more than before	
From the beginning my head was spinning		I (10) it was, I made it stronger	
The perfect start, oh, a church			
A place to fit in, a new religion			
I found your heart			
Relax, it's only dreaming fast
