

Fill in the gaps

(1) (2) and I'm	But it's (15) now
over it	-Was it really (16) it baby?-
(3) for the disconnect	Alright now
Putting on a brave face	-Was it (17) a (18) of time?-
Trying not to listen	Keep on second-guessing
To the (4) in the back of my head	Use my (19) (20) a weapon
But it's (5) now	On everything I try
-It's a distant memory baby-	Wearing me out
(6) now	-All this-
-You (7) you should (8) let it go-	Hanging around
(9) have a habit of	-It just starts-
persisting	Getting me down
Even though you wouldn't let it show	-Till I'm just-
Wearing me out	(21) for an easy way out
-All this-	Wearing me out
Hanging around	-But it's (22) now-
-It just starts-	(23) around
(11) me down	-Alright now-
-Till I'm just-	Getting me down
Looking for an easy way out	-But it's alright now-
Brain dead from boredom	Looking for an easy way out
I'm led to distraction	
Scratching the surface of life	
Nothing really happens	
But it's easy to (12) busy	
(13) you tell (14) you're	
traveling right
