## Fill in the gaps

Yeah, I left my body in the sea of people	And I am what I am, a natural disaster
And that's just how I'll (1) it	Pick me up at three, send me off to sea
Yeah, I met somebody in the sea of people	And maybe I'll come back for you
And that's just what I believe in	See, I (14) my clothes, I'm skinny-dipping
Yeah, we (2) laughing (3) a	And I can't understand (15) I'm after
Wednesday night	Swim, swim, swim in a (16) pool
We ran across the interstate	The sky is blue, the trees are too
And drank a (4) of vinegar	Swim, swim, swim (17) green to red
And (5) we stayed up really late	Go to bed, you sleepyhead
Bring me now, break it down in the hot, hot desert	Swim, swim, swim in your swimming pool
This is (6) I (7) to be	Like swimmers do
Bring me now, (8) it down in the hot, hot desert	l'll (18) on you
This is (9) I want to be	Yeah, I left my body in the sea of people
And I am what I am, a natural disaster	And that's just how I'll leave it
Pick me up at three, send me off to sea	Yeah, I met somebody in the sea of people
And maybe I'll come back for you	And that's just what I believe in
See, I lost my clothes, I'm skinny-dipping	That's just what I believe in
And I can't understand what I'm after	That's (19) what I believe in
So as we lay (10) this ground	And I am what I am, a natural disaster
I swear you look like Lucifer	Pick me up at three, send me off to sea
But (11) is blue, and so are you	And maybe I'll come back for you
And now we're going to (12)	See, I (20) my clothes, I'm skinny-dipping
ah, sh*t-	And I can't understand what I'm after
Bring me now, break it down in the hot, hot desert	Swim, swim, swim
This is where I want to be	
Bring me now, break it (13) in the hot, hot desert	
This is where I want to be
