

Fill in the gaps

Yeah, I am a man, man, man	It's the colours you have
Up, up in the air	No need to be sad
And I run around, around, around this town, town	It really ain't (8) bad
And act like I don't care	It's the colours you have
So when you see me flying by the planet's moon	No need to be sad
You don't need to explain if everything's changed	It really ain't that bad
Just know I'm (1) like you	It's the colours you have
So I pull the switch	No need to be sad
The switch, the (2) inside my head	You've still got your hands
And I see black, black, (3) and brown	So I am a man, man, man, man
Brown, brown and blue, yellow, violets, red	Up, up in the air
And suddenly a light appears inside my brain	And I float around, around, around this town, town
And I (4) of my ways	And know I shouldn't care
I think of my days and know that I have changed	So when you see us there
It's the colours you have	There out in the open road
No need to be sad	You don't (9) to explain
It really ain't that bad	If everything's changed
It's the colours you have	Just know that you don't know
No need to be sad	We call it life
You've still got (5) hands	Oh yeah, that's what we call it
So mistress, mistress have you been up to the roof?	When we can't call it at all
He (6) himself, self	We call it life
There's (7) on the wall	Oh yeah, that's what we call it
Because he couldn't face the truth	When you can't call it at all
Oh, knock that down	Yeah, We call it oh
Leave the ground and find some space	That's what we call it
And tell your friends, friends	We do it for love, (10) love
You'll be back again, again	
Before it's too late
