Stereo Hearts by Gym Class Heroes

And crank it higher everytime they told you to stop

My heart's a stereo	And all I ask is that you don't get mad at me
It beats for you, so listen close	When you have to purchase mad D batteries
Hear my thoughts in every note	Appreciate every mixtape your friends make
Make me your radio	You never know we (7) and go like on the
And (1) me up (2) you feel low	interstate
This melody was meant for you	I think I finally found a note to make you understand
Just sing along to my stereo	If you can hit it, sing along and take me by the hand
Gym Class Heroes baby	Just keep me stuck inside your head, like (8)
If I was just another dusty record on the shelf	favorite tune
Would you blow me off and play me like everybody else?	You know my heart's a stereo that only plays for you
If I asked you to scratch my back, could you	My heart's a stereo
(3) that?	It beats for you, so listen close
Like yeah f*cked up, check it Travie, I can handle that	Hear my thoughts in every note
Furthermore, I apologize for any (4)	Make me your radio
tracks	And turn me up when you feel low
It's just the last girl that played me	This (9) was meant for you
Left a couple cracks	Just sing along to my stereo
I used to, used to, now I'm over that	To my stereo
Because holding grudges over love is ancient artifacts	So sing along to my stereo
If I could only find a note to make you understand	I only pray you'll never leave me behind
I'd sing it softly in your ear and grab you by the hand	-never leave me-
Just keep it stuck inside your head, like your favorite tune	Because good music can be so hard to find
And now my heart's a stereo that only plays for you	-so hard to find-
My heart's a stereo	I take your head and hold it closer to mine
It (5) for you, so listen close	Thought love was dead
Hear my thoughts in every note	But now you're changing my mind -come on-
Make me your radio	My heart's a stereo
And (6) me up when you feel low	It beats for you, so listen close
This melody was meant for you	Hear my thoughts in every note
Just sing along to my stereo	Make me your radio
To my stereo	Turn me up when you feel low
So sing along to my stereo	(10) melody was meant for you

If I was an old-school fifty pound boombox	To my stereo
-remember them?-	-it's your boy Travie, Gym Class Heroes baby-

Would you turn my volume up in front of the cops
