

Fill in the gaps

You got me caught in all this mess	when you go in for a hug and your cheeks brush
I guess we can blame it on the rain	Tell me am I crazy
My pain is (1) I can't have you	Or is this more than a crush?
I can't have you	Maybe I'm alone in this
Tell me, does she look at you the way I do?	But I find peace in solitude knowing
Try and understand the words you say	If I had but just one kiss this whole room
And the way you move?	Would be glowing
Does she get the same big rush	We'd be glowing
(2) you go in for a hug and (3) cheeks	We'd be glowing
brush?	Does she, tell me
Tell me, am I crazy	Does she look at you the way I do
Or is this more than a crush?	Try and understand the (6) you say
I catch my breath	And the way you move
The one you took	Does she get the same big rush
The moment you entered the room	When you go in for a hug and (7) cheeks brush
My heart, it breaks at the thought	Tell me am I crazy
Of her (4) you	Or is this more than a crush?
(5) she look at you the way I do	Is this (8) than a crush?
Try and understand the words you say	
And the way you move	
Does she get the same big rush
