

Fill in the gaps

You got me caught in all this mess	when you go in for a hug and your cheeks brush
I guess we can blame it on the rain	Tell me am I crazy
My pain is (1) I can't have you	Or is this (11) (12) a crush?
I can't (2) you	Maybe I'm alone in this
Tell me, does she (3) at you the way I do?	But I find (13) in (14)
Try and understand the words you say	(15)
And the way you move?	If I had but just one (16) this whole (17)
(4) she get the same big rush	
(5) you go in for a hug and your	(18) be glowing
6) brush?	We'd be glowing
Tell me, am I crazy	We'd be glowing
Or is this more (7) a crush?	Does she, tell me
I catch my breath	Does she look at you the way I do
The one you (8)	Try and understand the (19) you say
The moment you entered the room	And the way you move
My heart, it breaks at the thought	Does she get the (20) big rush
Of her (9) you	(21) you go in for a hug and your cheeks brush
Does she look at you the way I do	(22) me am I crazy
Try and understand the words you say	Or is this more (23) a crush?
And the way you move	Is (24) (25) than a crush?
Does she get the (10) big rush
