

All about us by He is we

Take my hand
I'll teach you to dance
I'll spin you around
Won't let you fall down
Would you let me lead?
You can step on my feet
Give it a try, it'll be alright
The room's hush-hush
And now's our moment
Take it in feel it all and hold it
Eyes on you, eyes on me
We're doing this right

Because (1)_____ dance when (4)_____ all about us
(2)_____ feeling in love Do you hear that, love?
Spotlight shining, it's all about us They're playing our song

And every heart in the room will melt Oh I'm really feeling it
This is a feeling I've never felt but Do you hear that, love?
It's all about us Do you hear that, love?
Suddenly, I'm feeling brave Lovers dance when (7)_____ feeling in love
I don't know what's got into me Spotlight shining, it's all about us
Why I feel this way it's all about us, It's all...
Can we dance, really slow? Every heart in the room will melt
