

## Fill in the gaps

You know I'd fall apart without you
I don't know how you do what you do
Because everything that don't make sense about me
Make sense when I'm with you
Like everything that's green, girl I need you
But it's more than one and one (1) two
Put aside the math and the logic of it
You (2) know you want it too
Because I wanna (3) you up
Wanna kiss your lips
I wanna make you (4) wanted
And I wanna call you mine
Wanna hold your hand forever
Never let you forget it
I wanna make you feel wanted
Anyone can tell you you're pretty
You get that all the time, I know you do
But your beauty is deeper than the make up
And I wanna show you what I see tonight
When I wrap you up
When I kiss your lips
I, I wanna make you feel wanted

And I wanna call you mine
Wanna hold your (5) forever
Never let you forget it
Because baby I wanna make you feel wanted
As good as you make me feel
I wanna make you feel better
Better than your fairy tales
Better than your best dreams
You're more than everything I need
You're all I ever wanted
All I ever wanted
And I just wanna (6) you up
Wanna (7) your lips
I wanna make you feel wanted
And I wanna call you mine
(8) hold your hand forever
Never let you (9) it
I wanna make you feel wanted
Baby I wanna make you feel wanted
(10) you'll always be wanted
