_ pile of hearts

We throw tantrums like parties	I wanna get well, I wanna get well
We're not happy till everyone	Are the rest of you so content
Knows we're sick	Stay where you are but it hurts like hell
And that's just how we like it	And I'm sure it's fun at first
We've (1) bad enough, right, we've earned it	Test your pulse and check your vitals
Don't tell the others	If it's only a game you lost me
But it's all getting old, I mean	I quit it with the suicidal recital
How many more times must our stories be told?	Yes, we should've known it would end this way
And being lonely's only fun in a group	What did you expect, pretended it all away
It sort of loses it's charm when it's true	And all we've got left is a (7) pile of he
I meant it when I said	I'm getting out, gonna write myself a new start
I wanna get well, I wanna get well	Come on dry your eyes, meet me on the other side
Are the rest of you so content?	Run as fast as you can and we'll make it out alive
Stay where you are but it hurts like hell	We know better now, we don't have to live like this
And I'm sure it's fun at first	Go tell them all we don't have to live like this
Test your pulse and check your vitals	-I meant it when I said I (8) get well-
If it's only a game you lost me	I meant it when I said
I quit it with the suicidal recital	I wanna get well, I wanna get well
So now you know all my secrets	Are the rest of you so content
I want out, I (2) I don't need this	Stay where you are but it (9) like hell
Can you find me friends	And I'm sure it's fun at first
(3) don't rank me on what I've been through?	Test your pulse and check your vitals
The more battle scars the more attention it gets you	If it's only a game you lost me
Don't tell the (4)	I (10) it with the suicidal recital
But it's all getting old, I mean	If it's only a game you lost me
How many more times must our stories be told?	I quit it with the suicidal recital
And being lonely's only fun in a (5)
