

## Fill in the gaps

We throw tantrums like parties	I (12) get well, I wanna get well
We're not happy till everyone	Are the rest of you so content
Knows we're sick	Stay where you are but it hurts (13) hell
And that's (1) how we like it	And I'm sure it's fun at first
We've hurt bad enough, right, we've earned it	Test (14) pulse and check your vitals
Don't tell the others	If it's only a game you lost me
But it's all getting old, I mean	I quit it with the suicidal recital
How many more times must our stories be told?	Yes, we should've (15) it would end
And (2) lonely's only fun in a (3)	(16) way
It sort of loses it's charm (4) it's true	What did you expect, (17) it all away
I meant it when I (5)	And all we've got left is a sorry pile of hearts
I wanna get well, I wanna get well	I'm getting out, gonna write myself a new (18)
Are the (6) of you so content?	Come on dry your eyes, meet me on the other side
Stay where you are but it hurts like hell	Run as fast as you can and we'll make it out
And I'm sure it's fun at first	(19)
(7) (8) pulse and check your vitals	We (20) better now, we don't (21) to
If it's only a game you lost me	live like this
I quit it with the suicidal recital	Go tell them all we don't have to (22) like this
So now you know all my secrets	-I meant it when I said I wanna get well-
I want out, I know I don't need this	I meant it when I said
Can you find me (9)	I wanna get well, I wanna get well
That don't rank me on what I've been through?	Are the (23) of you so content
The more battle scars the more (10) it	Stay where you are but it (24) like hell
gets you	And I'm (25) it's fun at first
Don't tell the others	Test your pulse and check your vitals
But it's all getting old, I mean	If it's only a (26) you lost me
How (11) more times must our stories be told?	I quit it with the suicidal recital
And being lonely's only fun in a group	If it's (27) a game you lost me
It sort of loses it's charm when it's true	I quit it with the suicidal recital
I meant it when I said
