## Make a move by Icon for hire

## Fill in the gaps

-Somebody (1) a move-	While we just play our part
-Somebody make a move, somebody-	I'll play (19) along
Test my reality	Like I don't know what's (20) on
Check if there's a weak spot	Somebody make a move
Clinging to insanity	Somebody make a move
Hopes the world will ease up	Please somebody make a move
Try to make it look (2)	We all know, we all know what's going on
It's all somehow getting better	Pointing my fingers the (21) still linger
Because I know how to play it pretty good	They keep getting bigger and I hold the trigger
Against the measure	Running (22) fire I live like a liar
Everyone started out a little insane	Please somebody make a move
But you learn pretty quick how to fake it for the game	-Somebody make a move- I'm pointing my fingers
But some of you	-Somebody make a move- The problems still linger
(3) learned to (4) the act	- Somebody make a move- I'm pointing my fingers
So under that skin of yours: a heart attack	Please somebody make a move
Because everybody's so scared	Because everybody's so scared
We don't wanna go there	We don't wanna go there
We don't wanna make a move	We don't wanna (23) a move
We got all us to live screaming in the dark	Screaming in the (24)
(5) we just play our part	While we just play our part
I'll (6) right along	I'll play right along
Like I don't (7) what's going on	Because everybody's so scared
Somebody make a move	We don't wanna go there
(8) make a move	We don't wanna make a move
Please somebody make a move	We got all us to live screaming in the dark
We all know, we all (9) what's going on	While we just play our part
Hey if I had the answers I'd have written them out	I'll play right along
So I could (10) you what to do and what	Like I don't (25) what's going on
(11) thing is about	Somebody (26) a move
But all I've (12) learned comes second-hand	(27) make a move
And I (13) not (14) what I don't	Please somebody make a move
detent	We all know, we all know what's going on
You and I, we share the (15) disease	Somebody make a move
Cover up, (16) what we grieve	Somebody make a move
I've let more than my share of revivals die	Please (28) make a move
This isn't pretty but it's what I am tonight	We all know, we all know what's going on
Because everybody's so scared	
We don't wanna go there	
We don't (17) make a move	
We got all us to live (18) in the dark
