We always dreamed about this better life, (1)	We can smash the club
better life	
	Make the pop go rock
We always thought we'd come in all along, yeah all along	With a love this deep
We got the (2) to open paradise, your paradise	We don't need no sleep
Now (3) go walking hand in hand	And it feels like
Come on baby we can hit the lights	We could do this all night
Make the wrongs turn right	We could do this all night
We can smash the club	Yeah, everything is alright
Make the pop go rock	We got the keys to open paradise, your paradise
With a (4) this deep	It feels like we could do this all night
We don't (5) no sleep	We could do (8) all night
And it (6) like	Come on baby we can hit the lights
We could do this all night	Make the wrongs turn right
We could do this all night	We can smash the club
Yeah, everything is alright	Make the pop go rock
We got the keys to open paradise, your paradise	With a love this deep
It feels like we could do this all night	We don't need no sleep
We could do this all night	And it feels like
Oh, we can dance under the summer skies	We could do this all night
The summer skies	We could do this all night
The (7) change, our hearts will stay the	We (9) do this all night
same	Yeah, everything is alright
Yeah stay the same	We got the keys to open paradise, your paradise
We got the burning feeling, start a fire	It feels like we could do this all night
Start a fire	
Give it a shout let's make it hot	
Come on baby we can hit the lights	
Make the wrongs turn right
