On the top of the world by Imagine Dragons

If you love somebody	Waiting on this for a while now
Better tell (1) why they're here	Paying my dues to the dirt
(2) just may run	I've been waiting to smile
(4) from you	Been holding it in for a while
You'll never know what went well	Take it with me if I can
Then again it just depends on	I've been (19) of this (20)
How long of time is left for you	a child
I've had the highest mountains	And I know it's (21) when you're
I've had the deepest rivers	(22) down
You can have it all but not till you move it	And it's a long way up when you hit the ground
Now (5) it in but don't look down	Get up now, get up, get up now
Because I'm on top of the world, hey	And I know it's hard when you're falling down
I'm on top of the world, hey	And it's a (23) way up when you hit the ground
Waiting on this for a while now	Get up now, get up, get up now
Paying my dues to the dirt	(24) I'm on top of the world, hey
I've (6) to smile	I'm on top of the world, hey
Been holding it in for a while	Waiting on this for a while now
Take it with me if I can	Paying my dues to the dirt
I've been dreaming of this since a child	I've been waiting to smile
I'm on top of the world	(25) holding it in for a while
I've tried to cut (8) corners	Take it (26) me if I can
Try to take the easy way out	Been dreaming of this since a child
I kept on falling (9) of something	And I know it's hard when you're falling down
I could've gave up (10) but	And it's a long way up when you hit the ground
Then (11) I couldn't have because	Get up now, get up, get up now
I've (12) all this way for something	And I know it's hard when you're falling down
Now (13) it in but don't (14) down	And it's a long way up when you hit the ground
Because I'm on top of the world, hey	Get up now, get up, get up now
I'm on top of the world, hey	Because I'm on top of the world, hey
Waiting on this for a while now	I'm on top of the world, hey
(15) my (16) to the dirt	Waiting on this for a (27) now
I've (17) waiting to smile	Paying my (28) to the dirt
Been holding it in for a while	I've been waiting to smile
Take it (18) me if I can	Been holding it in for a while
I've been dreaming of this since a child	Take it with me if I can
I'm on top of the world	I've been dreaming of this since a child
Because I'm on top of the world, hey	I'm on top of the world
I'm on top of the world, hey
