

Fill in the gaps

I drink to remember, I smoke to forget
Some things to be (1) of
Some stuff to regret
Run down some dark alleys in my own head
Something is changing, changing, changing
I go back to Clifton to see my old friends
The best people I could ever have met
Skin up a fat one, hide from the Feds
Something is changing, changing, changing
So I kiss goodbye
To every little ounce of pain
Light a cigarette and (2) the world (3)
Light a cigarette and (2) the world (3) I got out, I got out, I'm (4) and I'm here to stay
I got out, I got out, I'm (4) and I'm here to stay
I got out, I got out, I'm (4) and I'm here to stay So I hold two fingers up to yesterday
I got out, I got out, I'm (4) and I'm here to stay So I hold two fingers up to yesterday Light a cigarette and smoke it all away
I got out, I got out, I'm (4) and I'm here to stay So I hold two fingers up to yesterday Light a cigarette and smoke it all away I got out, I got out, I'm alive and I'm here to stay
I got out, I got out, I'm (4) and I'm here to stay So I hold two fingers up to yesterday Light a cigarette and smoke it all away I got out, I got out, I'm alive and I'm here to stay Down in the kitchen, drinking White
I got out, I got out, I'm (4) and I'm here to stay So I hold two fingers up to yesterday Light a cigarette and smoke it all away I got out, I got out, I'm alive and I'm here to stay Down in the kitchen, drinking White (5)
I got out, I got out, I'm (4) and I'm here to stay So I hold two fingers up to yesterday Light a cigarette and smoke it all away I got out, I got out, I'm alive and I'm here to stay Down in the kitchen, drinking White (5) He's with my momma, yelling and fighting

To every little ounce of pain

There's a story for every corner of this (8)
Running so hard you got out but your knees got grazed
I'm an old dog but I learned some new tricks yeah

Light a cigarette and wish the world away
I got out I got out I'm alive and I'm here to stay
So I (9) two fingers up to yesterday
Light a cigarette and smoke it all away
